Deputy Commissioner of Mysore, in Govt. Pro. No. 2015-8 / Dtd. 454-11-2 dated 17th July 1912 ordered that the Library be attached to the Sri Narayana Swami temple at Melkote and that the charge of the Librarian be met from the funds of the Sri Ramanathaswami temple at Srirangapatna. His proposals for the revision of the Melkote temple were received.

Pandita Ratnam Kuppanna Iyengar now says that the temple Peshkar has asked him to have over charge of the Library in accordance with the above orders and prays for orders to retain charge of the Library.

The Inspector General of Education who was consulted in the matter of attaching the Library to the Sanskrit College at Melkote was of opinion that the temple was a more secure and healthy place than College.

Dewan of Mysore.

Most Honored Sir

I, Pandit Rathnam Cooppana Ayengar, respectfully beg to submit that I am Principal of the Sanscrit College at Melcotta located in a Mantapam in front of the Temple. A Sanscrit Library was established in August 1902 for the use of the College in the same Mantapam. In that Library, there are 1500 volumes, also some 80 Manuscripts. I applied sometime ago to the Huzur Superintendent for a Librarian. The Huzur Supt. was pleased to sanction the entertainment of a Librarian on Rs 5, charge being borne by the Rangaraathaswamy Devasthanam at Seringapatam, until the revision of the Melcotta Temple Establishment, during the revision the cost of the Librarian would be charged to Melcotta Temple.

2. Now the Melcotta Temple Priest Kar wrote to me officially to hand

over

over the Library to him. If this is not allowed, the books will pass into the hands of the Principal and the College will suffer for want of a Library.

Pray therefore the Library and the College may be allowed to remain as before in my charge

I beg to remain

With reference to Government Order No.2015-8/Muz. 1.45/4 of the 27th February 1912 sanctioning the Muzrai Superintendent's proposals that the Library of the late Veda Vedartha Bodhini Pathasala, Melkote may be attached to the Sri Narainswamy Temple at Melkote and that the pay of the Librarian be continued to be met out of the tasdik of the Sri Ranganathaswami Temple at Seringapatam till the proposals for the revision of the Melkote Temple establishment are submitted, I have the honour to inform you that the Adyaksha of the Sanskrit College, Melkote represents that much inconvenience will be felt if the Library is handed over to the Temple authorities as it contains several reference books which are constantly used both by the Pandits and the students of the College and requests that it may continue to be in his charge. He also states that the books in the Library were purchased out of the

Subject — The Library attached to the Veda Vedanta Bodhini Patasala at Melkote

So long as the Govt were granting Rs 100 per mensem from the Parakala matt to the Veda Vedanta Bodhini Patasala at Melkote, the school work was being done under the adhyakshaship of Pandita Rajaram Kuppanmenigar This grant seems to have been discontinued in March 1906, and the Patasala had therefore to be stopped also. Under these circumstances, I beg that Government to sanction an additional grant for meeting the cost of -tion, the amount already sanctioned being set apart enti -rely meeting the cost of construction of the building.

II. As regards the Committee of Management referred to in par- of the said servant, I beg to state that the Institution is still in its embryonic stage and requires careful nursing in its development at various stages. There is so much to be done in individual direction, that the Committee suggested by Government may not be able to carry out satisfactorily. As the Institution still requires partly on Government grants and partly from private subscriptions, there is no hope for investment of the Institution with [illegible] the Municipal grants which will have to supplement- -ed by other private resources to maintain it, I beg to say that for the present I would be well to leave the Institution for some time to come in its present condition, so that I may have the satisfac- -tion of seeing it on a solid basis and then -- hand it over to Board of Trustees.

Dewan of Mysore,
BANGALORE City.

Sir,

With reference to Government No.2473/[illegible] dated 3rd April 1912, regarding the acquisition of an additional house referred to in my letter of the 27th February 1912, for improvement of the Orphanage attached to the Sri Krishna Vilas Hindu Boarding & Orphanages, I beg to state as follows:---

I. The Government in para 2 of their Government Order observe that the cost of the acquisition will be the first charge on the sanction of Rs.3,000/- promised by Government in their Order No.20[illegible]-20/[illegible]-0)-3 dated 1st February 1910. I need hardly refer to the fact that the construction of an Institution like the one in question should be of a substantial nature and the preliminary estimate now sent up to Government by the Committee of Rs.10,47[illegible]/- the final estimate may most probably exceed Rs.10,000/- Moreover as this, the Government in their Order referred to above were graciously pleased to contribute as a State grant one half the cost of construction to a maximum limit of Rs.5,000/- The grant is proportionate will in view of this I therefore beg to point out that the proportion of this amount towards the cost of acquiring the proposed property will prejudicially to the interest of the Institution and would for a long time to come put off the accomplishment of the desired object. The proposal to acquire the property now in question was put forward solely for the reasons stated in my letter dated 27th February 1912.

Bangalore, 11th ~~May~~ June 1912.

To,

The Secretary to the Government
of H H the Maharaja of Mysore,
General and Revenue Department
Bangalore.

Sir,

I beg to acknowledge with thanks the receipt of your indorsement No. 2900 / Misc 456-11-3 dated 29th May 1912, and in doing so, I herewith beg to return the Plan therein noted, of which I have taken a copy as instructed. I very much appreciate the suggestion made, and I have not any objection whatever to have three rooms instead of four which will be more spacious, airy and commodious for boys to live in. Even for these three rooms it is my wish to have only woodden partitions and not any walls in bricks and chunam of a permanent character. In the course of construction, when the work is in progress it will be a matter of great help to me if the

and some officers inspected the wor

further suggestions, which would make the building perfect and convenient in every way. Such inspection and suggestions will be welcome to me always.

We have only 19 days more to close the Official year. The new Official year begins from 1st July 1912. As such, I am anxious that I should be permitted to commence the work as early as practicable. I am also anxious that I should be put in possession of the house, the acquirement of which the government has approved. In the interests of the new building it is very necessary that this house should be at my disposal to enable me to know and make the necessary alterations required.

I beg leave to remain,

Sir,

Your most obedient servant
